HR AS COACH & MEDIATOR™

The essential mediation
and coaching skills
course for
HR professionals.

HR AS COACH & MEDIATOR™

HR as Coach & Mediator™ provides delegates with the skills to be able to respond calmly and neutrally during the various stages of conflict. It looks at a range of active listening and reframing skills to move a situation forward, to understand how to create and manage boundaries and set clear goals that enable our teams to lead by example.

This two-day course builds on delegates' instinct for resolution; using their experience of conflict coaching, mediation or purely a desire to understand these areas more. It offers a tried and tested model of mediation along with a series of practical tips and guides to help them secure a positive resolution in workplace disputes.

By combining Emotional Intelligence with theories such as 'Positive Psychology', it also enables HR and ER professionals to provide coaching and support for managers to help them secure constructive outcomes without the need for recourse to formal grievance, disciplinary or performance management procedures.

We really needed to understand conflict and how to use mediation to achieve win-win outcomes. I was extremely happy with the training provided, as a result of this training, I now feel more confident to use mediation in the workplace." PIPPA BYRNE, Former Head of HR at Hugo Boss
